- To avoid the accrual of penalty and interest, all payments, including metered mail, online bill pay and e-checks, must bear a USPS postmark or be received on or before January 31st.
- Depositing payments in a USPS collection box does not guarantee a postmark for that day and could result in the accrual of penalty and interest if done on or near a delinquency date.
- By state law, failure to receive a tax bill does not relieve the owner of tax, penalty, or interest liability. If you did not receive a statement for each piece of property you own, you may visit our website to view property taxes, payment history, current statements, payment options and other information at: [www.wilco.org/propertytax](http://www.wilco.org/propertytax)
- Checks and electronic checks that are returned due to insufficient funds, unable to locate account, closed account or for any other reason, will incur a \$30.00 returned check fee. Penalty and interest will accrue if proper payment is not received by the delinquency date as mandated by state law.
- If your taxes should be paid by your mortgage company, please forward this statement to their office.
