2020 Developed Water District Voter-Approval Tax Rate Worksheet

Anderson Mill Ltd District

Voter-Approval Tax Rate

The voter-approval rate for developed water districts is the current year's debt service, contract and unused increment tax rates plus the maintenance and operation (M&O) rate that would impose no more than 1.035 times the amount of M&O tax imposed by the water district in the preceding year on the average appraised value of a residence homestead in the water district. The average appraised value disregards any homestead exemption available only to people with disabilities or those age 65 or older.

The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll or certified estimate of value and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submits the rates to the governing body by Aug. 7 or as soon thereafter as practicable.

If any part of the developed water district is located in an area declared a disaster area during the current tax year by the governor or by the president, the board of the district may calculate the voter-approval tax rate in the manner provided in Water Code Section 49.23601(a) and determine whether an election is required to approve the adopted tax rate in the manner provided in Water Code Section 49.23601(c). In such cases, the developed water district may use Comptroller Form 50-858 Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts to calculate its voter-approval tax rate.

1.	2019 average appraised value of residence homestead. ¹	\$278,567
2.	2019 general exemptions available for the average homestead. Excluding age 65 or older or disabled persons exemptions. ²	- \$62,779
3.	2019 average taxable value of residence homestead. Line 1 minus line 2.	\$215,788
4.	2019 adopted M&O tax rate.	\$0.117707/\$100
5.	2019 M&O tax on average residence homestead. Multiply line 3 by line 4, divide by \$100.	\$253.99

Mandatory Tax Election Rate

The mandatory tax election rate is the highest total tax rate a developed water district may adopt without holding an election. The mandatory tax election rate is the rate that would impose 1.035 times the amount of tax imposed by the district in the preceding year on the average appraised value of a residence homestead in the water district plus the unused increment rate. The average appraised value disregards any homestead exemption available only to people with disabilities or those age 65 or older. ⁷

18.	2019 average taxable value of residence homestead. Enter the amount from line 3.	\$215,788
19.	2019 adopted total tax rate.	\$0.117707/\$100
20.	2019 total tax on average residence homestead. Multiply line 18 by line 19.	\$254.00
21.	2020 mandatory election amount of taxes per average residence homestead. Multiply line 20 by 1.035.	\$262.89
22.	2020 mandatory election tax rate, before unused increment. Divide line 21 by line 9 and multiply by \$100.	\$0.117463/\$100
23.	2020 mandatory tax election rate. Add line 16 and line 22.	\$0.117463/\$100

Taxing Unit Representative Name and Signature

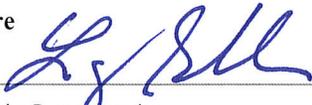

Enter the name of the person preparing the voter-approval tax rate and mandatory tax election rate as authorized by the governing body of the water district. By signing below, you certify that you are the designated officer or employee of the taxing unit and have calculated the tax rates in accordance with requirements in Water Code. ⁸
