

WILLIAMSON COUNTY LEPC – MINUTES

1:30 p.m. Wednesday, September 20, 2017

Williamson County Jester Annex

1801 E Old Settlers Blvd

Round Rock, TX 78664

1. Welcome and Introductions – Called to Order 1334

- Officers present
 - Jarred Thomas (Chair)
 - Dorothy Miller (Vice-Chair)
 - Craig Boegler (LEPC People's Representative)
- Others present – Marty Herrin (WCHMRT); Michael Wofford (WCHM); Greg Williams (WCOEM), Ashley Morris (WCOEM)

2. Approval of Minutes – minutes from 06/21/2017 approved as amended

3. Chemical Plan Presentation – Outlined the chemical plan purpose, outline, progress, and future progress. Slides are attached to minutes.

4. Williamson County Hazardous Materials – Outlined fall regional drills; October 31 – November 2; sites look to be Govale Water Treatment Plant, Hayes County, and Cedar Park. Texas Firearms Festival cancelled in Liberty Hill. Explosive facility tours October 3-5.

5. Adoption of 2018 LEPC meeting schedule – Tentative dates of next year's meeting at as follows: January 17th, April 18th, July 18th, October 17th 2018. Meetings to be held at the Williamson County Jester Annex building.

6. Old Business

- 501c3 creation (Jarred plans to meet with County Attorney in July)
- LEPC goals for 2018 (to discuss at September meeting) – work toward more community engagement and site sponsors; potential CE for chemical workers
- Subcommittee development – no update

7. New Business

- Discussion regarding the booking of guest speakers at next year's meetings
- Next meeting to have public push for attendance – supposed to be this past meeting but interference due to Hurricane Harvey
- Create contact list for facilities (2 people each) to receive LEPC information

Next LEPC meeting December 20th, location TBD
